Countryside location ❖ Private meeting rooms ❖ Short or longer term bookings

Conference facilities ❖ Weddings ❖ Private function suite

Menus change in both the Bistro and Restaurant regularly and offer traditional dishes, along with some modern style and something for the more adventurous.

Starters range from home-made fishcakes and parcels of goats cheese, to warming soups, fresh mussels and Italian Ciabatta. Good use is made of the charcoal grill for salmon as well as locally produced beef, lamb and venison. The selection of desserts offers tempting and inventive variations on popular favourites such as Banoffee Pie, Crème Brûlée, the local and famous Lucá's Ice Cream and of course, our very own Howgate Cheeses.
